Re: Form for 2012 Natural Family Planning Registration English and Spanish

Attached is the 2012 registration form for Natural Family Planning Introductory Session. The registration fee is \$40.00 per couple. As a reminder, the Marriage Preparation Guidelines for the Diocese of San Jose, revised 10/97, require that every engaged couple attend an introductory session of Natural Family Planning.

- ❖ This form is to be considered an original and used to create additional copies for use in the parish. Please note form will be revised during the year indicating available and not available dates for 2012 Natural Family Planning. You may find an updated registration form for the Natural Family Planning on www.dsj.org/NFP. You may also contact me at Avalenzuela@dsj.org or (408) 983-0130 to request the 2012 updated registration form.
- ❖ The prior year schedule cannot be used to register for 2012 sessions. Please replace your 2011 schedules with the current schedule for 2012 registrations.
 - As a suggestion, you may wish to keep a paper copy in a different color as the master copy to avoid confusion.
 - Or provide couples with the web address to find an updated form in our Diocesan website. (www.dsj.org/NFP)
- ❖ The registration is in English and Spanish only.
- ❖ Please encourage couples to send in their registration as soon as possible as sessions fill up quickly.

Thank you for your cooperation.
