MCA, SBIA, WVMA, ICZ, and SABA Imams and Boards request your presence at an interfaith event in solidarity with the Catholic community. Bishop McGrath, who leads over 50 Catholic churches in Santa Clara County, will join Imams from Bay Area Mosques and civic leaders on Martin Luther King day to mark the start of this partnership. The event will include joint prayers, exchange of ideas for dialogue, understanding and unity between the two communities in serving humanity while seeking justice and fairness for all. This event will be the first of many events leading to increased collaboration and friendship between Muslims and Christians through engagements at various levels.

Speeches will begin at 1pm, followed by lunch 2:30pm.
