

# Free COVID-19 Vaccinations

## For yourself and for your family

Kaiser Permanente physicians will be providing free COVID-19 vaccinations for anyone age 12 years and older at St. Elizabeth Catholic Church on July 24 & 25.

COVID-19 vaccines are highly effective and lifesaving. They are safe for everyone age 12 and older, including people who are pregnant or breastfeeding, and people with high risk medical conditions or common allergies.

Protect yourself, your family, and our community by getting your COVID-19 vaccine. You do not need to be a Kaiser Permanente member and no questions will be asked about immigration status.

### FREE COVID-19 VACCINES

St. Elizabeth Catholic Church  
750 Sequoia Drive, Milpitas  
Parish Ministry Rooms
