

Towards a Marriage Catechumenate

A talk on forming evangelizing spouses with guest Ryan Verret

This session will be an exciting perspective on a method of marriage preparation and renewal that is a virtues-based Catechumenate.

“Without a doubt, Witness to Love Is THE most effective pre-marital resource that exists today. It works so well because their entire model is built upon the creation of a transformative relationship between a mentor couple and the engaged that fosters authenticity, intimacy, and discipleship.”
