THE ADA 2018 CAMPAIGN

The ADA Steering Committee has identified the following standards as essential in conducting a successful ADA Campaign. These procedures are to be implemented during the Active Phase. Instructions on how to complete each of these steps as well as sample letters, phone-a-thon scripts, pulpit announcements, bulletin inserts, etc. can be found in the following pages of this manual.

1. Direct Mail: The ADA office sends a mailing to all registered parishioners. The mailing includes:
 - a. Letter from the pastor, provided to the ADA office
 - b. Appeal brochure; includes Bishop McGrath's letter
 - c. Personalized ADA pledge envelope to be returned or mailed to the parish
2. In-Pew: Use the "In-Pew" method of fund-raising preferably for the 1st and 2nd week of the Appeal – "ADA Pre-Pledge & Pledge Weekends." This means having blank pledge envelopes in all of the pews during all of the masses, and the pastor referencing them and encouraging parishioners to fill them out during mass.
3. Announcements: The Pastor and ADA Chairperson need to visibly and vocally support **Sharing the Joy of the Gospel, Together in Christ**. Pulpit announcements should be made each week of the Active Phase. An update on the pledge totals and participation levels to date should be included in each weekly pulpit announcement and included in the bulletin. In addition, the ADA office will provide Diocesan speakers or a Bishop's ADA Video appeal to promote the campaign upon request.
4. Tabling: Employ "Tables after Mass" at least every other weekend of the Active Phase. This means a table with ADA materials should be staffed with volunteers who can speak intelligently and positively about the ADA Campaign and what it funds. An announcement about the table should be made after each Mass. The volunteer(s) should be at the table before Mass is over – preferably before the end of Communion to catch those who may leave Mass early. The volunteers should stand out in front of the table to initiate conversation and greet people. Passively sitting behind the table defeats the purpose of "Tables-At-Mass."
5. Second Mailings: Second mailings remind parishioners who have not yet donated the importance of **Sharing the Joy of the Gospel, Together in Christ** both to the Diocese and to the Parish. The best time to do this is mid-campaign. The Office of Stewardship and Development can provide lists of names of parishioners, who have not yet donated, and brochures and pledge envelopes for the mailing. The follow-up second mailing should be received no later than Week 5. **Parishes who have not reached 60% of their goal by the end of week 4 will be required to do a second mailing.**

6. Phone Calls: Phone calls are a great way to reach out to parishioners. Peer-to-peer, parishioner-to-parishioner, works best. “I am supporting Sharing the Joy of the Gospel, Together in Christ this year and here is why: Will you consider doing the same?” Phone calls promote support for the ADA and provide a forum for dialogue about the campaign, and about other happenings at the parish.
7. Goals: Although the Diocesan Leadership Team sets the official goal each year, many parishes establish a Parish Goal and add it to the Diocesan Goal. Each parish should develop a case for the goal that clearly identifies the ADA with a local parish need. The case should appear in both the pastor's letter and the weekly parish bulletin inserts.
8. Following-Up: Designate a Follow-Up Administrator to complete the duties and responsibilities designated in the Follow-Up chapter to ensure a successful redemption/fulfillment of pledges and database maintenance. Many parishioners pledge with the best of intentions, but cannot always follow-up on those pledges. Following-up with them to see how they are doing, above and beyond making pledge payments, is a much appreciated ministry. The Follow-Up chapter has more information on this.
9. Make it Public: Post the thermometer in the church vestibule area that shows both the amount pledged and the level of participation. It takes everyone in the parish to make the ADA a success and the success should be publically visible.
10. Thank-Yous and Acknowledgements: Parishes may want to consider sending thank-you letters from the parish to ADA donors in addition to the diocesan thank-you letters that are produced. This will help to reinforce the thankfulness of the parish for the gift and foster future donations.

Increasing Your ADA Mailing List

When the ADA Office pulls the ADA mailing list from your parish data, we select families **who are both Registered and are in the Active family group**. To this, we add families that were contributors to your last ADA campaign even if they were not registered/active.

We are seeing many Family Groups like “Contributor Only” or “Sacraments Only” that are not included your ADA mailing list. It is a best practice to periodically review your family group usage to make sure you don’t have active families in other family groups. Across the entire Diocese there are more than 5,000 registered families are not getting a pledge card since they are not in the “Active” family group.

It might also be worth reviewing your unregistered families in some family groups too. It is possible that you have some families that are actually active or contributing to the parish and they don’t realize they are not registered. Please contact the ADA office for additional information on family groups in ParishSOFT.

ADA PLEDGE FACTS

Please remember the following when asking for and accepting a pledge or gift:

- Donations may be made online at www.dsj.org. Follow the ADA links to our secured on-line giving site.
- Donations can be made via check, donated securities, credit card and direct debit
- Pledges can be paid monthly (up to 10 payments) or as a one-time gift. All pledges must be completed by December 31st. A down payment is not necessary.
- Pledges may be paid monthly via credit card (up to 10 payments) or through direct debit. To do so, please fill out the necessary credit card or EFT information on **the pledge envelope**.
- Payment reminders and return envelopes will be automatically sent if a donor chooses to make a pledge. Reminders are not sent to those paying with their checking account or with a credit card.
- One-time gifts are graciously accepted.
- Any household interested in making a donation via stock, annuities, property, wills, trusts, life insurance, etc., should contact the ADA Campaign Office at (408) 983-0293. This information is also available on-line.
- All pledges must be completed by December 31, 2018
- All contributions to the Annual Diocesan Appeal are fully tax deductible.
- Over 50% of overall revenues for the Diocese of San Jose come from ADA donations.
- Every dollar a parish raises over their goal is rebated 100% back to the parish. This is an incentive to exceed your parish goal. Explaining what the parish plans to do with this 'extra' money will entice parishioners to give.

For more information on the ADA in your parish, please refer to the ADA brochure; or contact the ADA Office at 408-983-0246.

WHY THE ADA IS IMPORTANT

1. What is the Annual Diocesan Appeal (ADA) and why do we have it?

The Annual Diocesan Appeal (ADA) is the annual invitation to the people of the Diocese of San Jose to participate in and support common services and programs of our local Church. Each year, the 54 parishes and missions of our local Church take part in the ADA to raise funds for the support of centralized services, ministries, activities and programs of the Diocese of San Jose.

2. How does my parish benefit from the ADA?

More than 50% of all diocesan revenues come from the funds raised during the ADA. These funds support common services and programs for all of our parishes. These include:

- **Clergy**
 - Vocations and Seminarian Education
 - Priests, retired priests and deacons
- **Office of the Bishop**
 - Vicars General
 - Cathedral Basilica of St. Joseph
 - Vatican Support
 - USCCB/CCC
- **Stewardship and Development, Communications Services**
 - ParishSoft
 - Valley Catholic
- **Department for Evangelization**
 - Faith Formation
 - Institute for Leadership in Ministry (ILM)
 - Restorative Ministry
 - Youth and Young Adult
 - Hispanic Apostolate
 - Worship
 - Social Justice
- **Operational Services**
 - Information Systems/IT
 - Facilities
 - Human Resources/Work Day
 - Chancellor and Archives
- **Tribunal**
- **Office for Protection of Children and Vulnerable Adults**

3. Why doesn't the Diocese of San Jose have enough money?

The Diocese has few unrestricted cash reserves. Most of its reserves have been restricted by donors or parishes. For example, our endowment to provide scholarships for children to attend Catholic schools can only be used for that purpose. Likewise, parishes have

funds on account at the Chancery, but these funds are restricted for the use by those parishes only.

Annually, the Chancery budgets for the following year's expenses. This budget is a frugal projection of needs for the coming year. On a year-to-year basis we try to balance expenses with the income we receive from the ADA, the parish assessment and various other small sources of income. More than 50% of diocesan revenues come from the ADA.

4. Does my parish receive any of my ADA contribution?

Each parish receives every dollar collected above its assigned goal. These ADA rebates are returned directly to your parish at scheduled intervals after the parish's diocesan goal has been met.

5. Do ADA contributions go outside of the Diocese?

ADA contributions are primarily used to support our local Church here in Santa Clara County. The only ADA funds that are spent outside the Diocese are those going to the California Catholic Conference, the United States Catholic Conference and the Holy See.

6. How much money will be rebated to parishes in the last ADA?

More than \$ 2.4 Million dollars will be rebated to parishes from ADA 2017. The parishes that have collected more than their assigned goal will have 100% of their excess contributions returned to the parish. The amount of rebates often depends upon the parishes' follow-up plan and attention throughout the year.

7. Do our ADA contributions support implementation of the Pastoral Plan?

In the Diocesan Pastoral Plan promulgated by Bishop McGrath, three key pastoral issues are mentioned: Lay Leadership, Youth and Young Adults, and Social Justice Teaching of the Catholic Church. The ADA is the main source of revenue for the support of these and many other components of the Pastoral Plan. The ongoing, annual work to implement the pastoral plan now comes from the annual budget.

8. What are the key pastoral needs supported by the ADA?

- There are critical pastoral issues recognized in the Pastoral Plan whose initiatives are funded by the ADA.

- We are fortunate to have seen an increase in the number of seminarians who are educated and trained through the support of the ADA. Currently 7 seminarians, representing the Diocese of San Jose attend Mundelein Seminary.

- The Department of Evangelization provides a wide variety of ministries and services that directly support parish life including:
 - Faith Formation
 - Institute for Leadership in Ministry (ILM)
 - Restorative Ministry
 - Youth and Young Adult

- Hispanic Apostolate
- Worship

9. How many people contribute to the ADA?

During the past three years more than 21,000 people contributed each year to the Annual Diocesan Appeal.

10. What is the amount of the average ADA contribution?

The average contribution to the ADA in 2017 was \$405; this amount continues to increase each year.

11. Can I give electronically?

Yes, there are many convenient ways of giving electronically.

You can go to our website, www.dsj.org and click on “Ways to Give” and follow the link to our secure Online Giving site to donate online to the ADA. For your convenience you can also donate using your Visa or MasterCard. Electronic giving is available for one-time gifts as well as monthly, bi-monthly or quarterly payments.

The most cost effective is a direct debit out of a checking or savings account because this allows the Diocese to receive 100% of your contribution (no credit card fees).

12. Is my ADA contribution used to pay attorney fees or judgments in sexual misconduct cases?

All ADA contributions are used to fund the programs, services and ministries of the Diocese of San Jose. Our Diocese has had few instances of sexual abuse by clergy and our liability insurance carrier has covered those costs. Of course, we do have to pay premiums on our liability insurance program. However, this is a cost that we have always paid. As a Diocese we have over 2,500 employees working in over 90 parishes, school and other facility locations. Like any organization our size, we have and must continue to provide liability insurance coverage.

13. How is the parish Annual Diocesan Appeal goal set?

This year a Bishop’s ADA Consultation Committee used the goal-setting formula that was approved by the pastors. Included was a 5-year collection of data used for each parish based upon the average parish ordinary income.

14. How much does it cost to run the Annual Appeal?

The Annual Diocesan Appeal Office spends less than 6% of the diocesan goal to run the ADA. This includes the office staff, the printing of the ADA materials, training and all other related expenses. All processes will be completed at the ADA Office of the Diocese.

15. What happens if a parish cannot make their goal?

If the parish does not make its assigned diocesan goal, the parish may ask for a review by the ADA Steering Committee at the end of the 9 weeks. At this review, there will be a discussion on the follow-up plans and any recommendations. Parishes not pledging over the diocesan goal by the end of the 9th week and who do not wish to have a review, are asked to guarantee their goal.

PASTOR AND CHAIRPERSON

PASTOR LEADERSHIP RESPONSIBILITIES SUMMARY

The single most important key to a successful Annual Diocesan Appeal is the strong and enthusiastic support of the Pastor. The Pastor who is positive increases the possibility of a successful Appeal. As a person of faith and as a leader of the parish, your personal plea to the people of your parish is the key element.

You are the principal motivator. No brochure, letter, insert or other item can replace the impact of your personal support. You are the spiritual leader of the parish and your involvement is essential. Any negative comment made to a group or individual can affect the appeal.

Make your parishioners aware during the Masses on Appeal weekend that you have donated to and support the Annual Diocesan Appeal.

The Diocese of San Jose and each parish needs the financial help of all Catholics. But more important is the fact that all Catholics have a need to give and a need to share their time, talents, and financial gifts with their parish and with the wider Church of which they are members. This need to give is as great as or greater than the programs and services they benefit.

All of us are counting on those who have received, and are continuing to receive gifts from God to return a portion to their Church.

Please talk about the goal of 100% participation. Ask every household to consider a gift to the Annual Diocesan Appeal, remembering, no gift is too small. Everyone is invited to participate!

It is essential then that you, the pastor take a leading role in the ADA in your parish, just as you take a leading role in other efforts. Public support and enthusiasm from you for the ADA will encourage parishioners and volunteers to make the campaign a success.

Your responsibilities are:

- To lead the ADA Campaign in your parish.
- To encourage intelligent, organized, responsible individuals to accept the lay leadership roles of the ADA Chairperson, ADA Gift Processor and ADA Follow-Up Administrator for your parish.
- To work with the ADA Chairperson to ensure that the minimum standards set by the ADA Steering Committee are met.
- To assist the ADA Chairperson in selecting other campaign workers.
- To discuss the diocesan programs and needs, the parish goal and the reasons for the parish ADA campaign at all Masses on “ADA Pledge Weekend.”

- To make announcements from the pulpit during the 9 weeks as a thank-you and to update the parishioners on the success of the Appeal
- To publish the results and needs in the bulletin each week.
- Pray for the success and ministries supported by the ADA in the Prayers of the Faithful
- To make the ADA Campaign information available to parishioners via direct mailings, tables at mass, extra materials in the church vestibule area, etc.
- To accept ADA gifts and pledges and make office facilities at the parish available for the processing of ADA gifts and pledges.
- To ensure a high level of participation in the parish in order to attain the ADA goal.

ADA CHAIRPERSON LEADERSHIP RESPONSIBILITIES

- To provide the visible and vocal leadership for the ADA Campaign in cooperation with the pastor, ADA Gift Processor and other campaign workers.
- To work with the pastor to ensure that the minimum standards set by the ADA Steering Committee are met.
- To manage the work of the parish volunteers who will assist the administering of the ADA campaign.
- To direct the distribution of ADA materials to support the campaign via direct mailings, tables at mass, extra materials in the church vestibule area, etc.
- To discuss the diocesan programs and needs, the parish goal and the reasons for the parish ADA campaign at all Masses on “ADA Pre-Pledge Weekend.”
- To structure the logistics of the parish ADA Campaign to permit parishioners to make their pledges in an easy and efficient manner.
- To ensure a high level of participation in the parish in order to attain the ADA goal.

TIPS FOR A SUCCESSFUL CAMPAIGN

- Make your own commitment to the Annual Diocesan Appeal
- Review your parish ADA results from last year, evaluate the approaches that were taken, determine ways to improve results and develop a plan and strategy that will achieve your parish goal
- Involve your YOUTH to participate in the Annual Diocesan Appeal. They are the future Church. The ADA is an opportunity to draw them into responsible participation in the life, mission and work of the Catholic faith community
- Provide advance notice from both the pulpit and parish bulletin so that parishioners are prepared to make a commitment on Appeal weekend
- Exhibit a positive, sincere attitude toward the Appeal, its objective, and the parish's importance to the overall effort
- Give a motivational homily on Appeal (Kick-off) Weekend
- Incorporate the campaign theme in all campaign promotions
- Ask every parishioner to fill out a pledge envelope in the pew. Emphasize how important their gift is to the success of the campaign
- Show the ADA Video on at least two weekends
- **THANK EVERYONE!**

DON'T

- Don't apologize for the Annual Diocesan Appeal
- Don't portray this as a chore or just another arduous task - this is an opportunity for the faith community of the Diocese of San Jose to share as one their Time, Talent and Treasure
- Don't assume someone cannot give a gift, No gift is too small
- Don't try to justify the Annual Diocesan Appeal purely in terms of "what's in it for us?" Instead focus on your parishioners' willingness to give as Jesus did, without expecting something in return.

KEYS TO A SUCCESSFUL CAMPAIGN

*Do you want your parish to have a successful campaign?
If so, here is how:*

- Thank Everyone! Engage all of your parishioners with a gift of thanks for their generosity and prayer
- A consistent positive attitude of parish leadership is critical
- Let your parishioners know that ADA is a fund drive to help your parish pay their financial assessment to support our larger Church, an obligation of each parish, each year. When you ask for help for your parish the faithful are generous
- Help parishioners understand that their gifts to the ADA positively support their parish. How did your parish utilize your rebate?
- Use examples of the interaction of ministry and services provided through the Annual Diocesan Appeal and your parish.
- Always encourage the partnership of parish and diocesan unity. We can do more together than an one can do alone
- **Always focus on increasing participation**
- Realize that the fastest way to raise more funds is through major donors
- **Gratitude is essential! Continue to thank everyone!**
- Include a link on your website to dsj.org/ada. Encourage your parishioners to go here to view the ADA video and donate electronically
- Consider bringing in resources to assist your efforts, place articles in your bulletin of how your parish or someone in your parish is benefitting by the operations and ministries supported by the ADA
- There are always speakers from every ministry and service available to speak to your parish. Maybe your parish has a particular use of one ministry or service and that will help more people understand that we are all one, working together to build this kingdom
- Additional resources are available in the Office of Stewardship and Development. Please call 408 983-0246

THE CAMPAIGN

PRE-PLEDGE WEEKEND

1. ADA Chairperson should speak at all Masses -- a layperson's presentation of the ADA campaign and the services, ministries and programs provided to parishes by the Diocese. Please see Chapter 3 of this manual for a sample talk. The ADA brochure and pledge materials should be reviewed prior to the talks, and the ADA Office is always available to discuss what you may like to highlight.
2. A brief outline of the parish solicitation plan and the parish goal (which may be higher than the diocesan assigned goal) is provided to the parishioners, possibly via an announcement in the bulletin, in order that the congregation can be prepared to make a gift/pledge the following weekend – “Pledge Weekend.”
3. ADA brochures should be available in the pews & and at all entrances.

PLEDGE WEEKEND

1. Pastor should speak at all Masses -- a positive and motivational presentation of the ADA campaign and the services, ministries and programs provided to parishes by the Diocese. Please see this section of the manual for a sample talk. Again, the ADA brochure and pledge materials should be reviewed prior to the talks, and the ADA Office is always available to discuss what you may like to highlight.
2. The pastor asks all parishioners to make a financial pledge to the best of their ability in support of the ADA.
3. ADA brochures, pledge envelopes, and pencils should be available in the pews.
4. Ushers, preferably other priests, should distribute the pledge cards during Mass.
5. Instruct assembly on how to fill out the pledge envelope, i.e. print name and address, indicate pledge amount, enclose down payment (if any), indicate credit card number or direct debit number with voided check and sign pledge envelope.
6. Seal completed pledge envelope.
7. Ask ushers to collect envelopes.
8. It is important that those unable to make a financial pledge also be asked to complete a pledge envelope so that your ADA Committee does not have to try to contact them. Those unable to contribute, but who do complete a pledge card, will be asked to pray for the success of the campaign and the prayers will be counted as their pledge.

SUGGESTED USHERS BRIEFING

To assist parishioners in making a gift to the ADA Campaign at Mass, the following details are important:

Before Mass:

1. Have an ample supply of brochures, pledge envelopes and pencils in each pew.
2. Make sure ushers (priests preferred, or volunteer workers) are assigned areas for pledge envelope distribution and collection.

At Mass:

1. Pastor speaks about ADA and asks ushers to distribute pledge envelopes and pencils.
2. Pastor explains pledge procedure – how to fill out **pledge envelope**.
3. After allowing time for the completion of pledge envelopes by assembly, ushers will collect pledge envelopes.
4. Head usher or the ADA chairperson will bring pledge envelopes up with gift bearers at Offertory.

After Mass:

1. Head usher or the ADA chairperson will sort through pledge envelopes, returning blanks to supply for next Mass.
2. Between Masses, remove envelopes left in pews and replenish pencil supply where needed.

PLEASE NOTE: On “Pledge Weekend,” it is necessary that ushers pass out pledge envelopes and pick them up during the course of the pastor’s presentation. This special procedure and collection during the homily will reinforce the importance of the Appeal.

OF FAMILIES PARTICIPATED
AVERAGE GIFT
AMOUNT RETURNED TO PARISHES
- Discuss the past success of the ADA in your parish and your goal for the current year.
- Express confidence in the success of the ADA.
- Everyone in the parish should have received their ADA materials in the mail. This package should have included an ADA brochure, a letter from the pastor, and personalized pledge envelope. (Bring the ADA brochure and pledge envelope with you and reference them.) If you did not receive these materials please be sure to pick up these materials today - they can be found (in the pews or tables outside). Today, I would like to talk to you about this very important ADA.
- Explain why you believe supporting the Annual Diocesan Appeal and the Diocese is important for our parish and every parishioner in it. See the ADA brochure for details on how the ADA supports the ministries and services that reach out to all the parishes.

- The Annual Diocesan Appeal provides support for the Diocese of San Jose’s services to the parishes of Santa Clara County. These services insure the vitality and growth of our Church. As responsible disciples and parishioners, we are called to share our many blessings with others. The ADA supports diocesan offices including the Department for Evangelization, Vocations, Missions, the Valley Catholic, Detention Ministry, The Institute for Leadership in Ministry, seminarians, and funding for the care of Clergy, Religious and Lay Personnel in our Diocese - including tuition assistance to many families of our diocesan schools. In addition, the ADA provides administrative services to our 54 Catholic parishes and missions of the Diocese of San Jose. The ADA provides more than 50% of all diocesan revenues.
- Review the ministries and programs that benefit the parish in particular (Use ADA brochure and ADA Poster).
- Emphasize that we need the commitment of everyone to reach our ADA goal. As a parish, we are asking each parish household to consider a donation or pledge of \$_____ or more payable over a 10-month period. To be completed by December 31st. Some will be able to donate more, some less. Regardless of the amount each household is asked to make a one-year pledge to the ADA campaign. Please consider being as generous as you can to this parish wide effort. Also, please keep in mind that every dollar raised over our goal of \$_____ is rebated back 100% to the parish.
- As I mentioned earlier, everyone registered with the parish was mailed their ADA materials. Included in the packet is your personalized pledge card. We are asking everyone to please turn in the ADA pledges by next weekend, “ADA Pledge Weekend.”
- VERY IMPORTANT: Fr. (insert pastor’s name) will be speaking at all of the Masses next weekend, which is our “ADA Pledge Weekend,” in order to give you more information on our ADA drive.
- How much you donate is a private decision between your family, yourself and God. However, whatever your decision, it is very important for the success of the Appeal that everyone turn in their pledge envelope by next weekend. We need to keep our momentum going so that we may reach and exceed our goal over the next month. Pledge envelopes can be dropped in the offertory basket next weekend, dropped off during the week at the parish office or mailed to the parish. Please be sure to turn your pledge envelope in by “Commitment Weekend”!
- I will be available after Mass to answer any further questions you may have regarding the ADA and talk with you about your pledge to the Appeal.

- If you choose to give using Automatic Bank Withdrawal/Electronic Funds Transfer or credit card, please complete one of the two boxes. If you selected to Automatic Bank Withdrawal, please fill out the necessary information and include a voided check. If you would like to use your credit card to complete your pledge, complete the box on the right side of the pledge envelope. Include your credit card number, expiration date and signature. For Automatic Bank Withdrawal and Credit Card, be sure to indicate if you would like to make this gift in monthly installments or as a one-time gift.
- On the envelope indicate your total pledge amount, your name, telephone number, address and the name of our parish.

- Please don't leave without making your commitment to the campaign TODAY!! This is our annual opportunity to support and thank our Diocese for all the ministries, services and programs they provide for the parishes of San Jose. It is essential that we once again show our support for our local Church. Also, please keep in mind that every dollar raised over our goal of \$_____ is rebated back 100% to the parish. This money will be used toward _____.
- I know that a pledge of \$_____ will truly require a sacrifice for some of our parish households. I also know that some families are unable to contribute at this level. Therefore, in order to reach our goal we will also need pledges of \$500, \$1,000, \$2,000, even \$5,000 and above. If you are capable of making a larger donation, I ask you to please consider doing so.
- Please reflect back on the gifts God has given you when making your decision about our appeal. Our families, our homes, our health and everything we possess are gifts from God. Your pledge of financial support should be in recognition of God's supreme generosity and in the spirit of true Christian Stewardship.
- If you are unable to make a pledge of \$_____ or more, please consider making a ten-month pledge of what you can afford. Our ADA goal requires that each family pledges to the best of their financial ability over the next 10 months, if we are to be successful. We are not asking that everyone make the same size gift, but rather the same size sacrifice!

“I would like to pause for just a minute to allow everyone the time to fill out a pledge envelope.”

“I now ask that the ushers pick up the Pledge envelopes and pencils from the assembly.”

Thank you for your attention and sincere consideration for our most important ADA Campaign and please keep this effort in your prayers.

ADDITIONAL FUNDRAISING TIPS

PERSONAL PHONE CALLS TO DONORS

Before the ADA mailing hits the mail and before the pastor makes any ADA announcements from the pulpit, reaching out to key contributors will ensure they feel appreciated and can entice them to increase their ADA pledge.

- 1) Identify the top 10 or 15 ADA donors from last year. The ADA Office (408-983-0246) can get you this list.
- 2) The pastor should personally contact each of these donors either via phone or a personal visit.
- 3) After some small talk, the donor is thanked for their generosity and personally asked to increase their gift. (Remember, your donor should be receiving an ADA request in the mail.)

This focuses on the top donors since that category is generally regarded as the "easiest" to upgrade, and a call from the pastor will make them feel appreciated and valued. This group is also the most likely to upgrade by substantial amounts.

SECOND MAILING

The second mailing should take place so that it reaches parishioners during the middle of the active phase (by week 4 or week 5). This mailing should include all registered households that have yet to donate. The ADA Office can and will provide this list to you around the first week in February.

The ADA Office believes it is in every parish's best interest to do the second mailing and covers the cost of the mailing.

Based on the amount of pledges that are received by early February, parishes that are not near their goal will be required to do the second mailing. The ADA Office will be in touch with those parishes and work closely with you on this effort. The ADA Office will assist parishes with this mailing.

Please contact the ADA Campaign Office at (408) 983-0246, if you require any additional ADA materials or assistance with the mailing.

TIME EXTENSIONS & STEERING-COMMITTEE REVIEWS

If a parish anticipates that it will achieve less than 100% of its ADA goal by the end of Week 6, the pastor is requested to do the following:

1. Request an ADA Trouble-Shooting Team to assist during the Active Phase:
 - a. Upon request of a parish, a team of representatives from the Office of Stewardship and Development and the ADA Steering Committee, will meet with the pastor and chairperson to analyze the situation at the parish.
 - b. To receive assistance, the parish must show compliance with all “minimum standards.” Otherwise, you will be asked to guarantee 100% of your goal.
 - c. The team will make recommendations both to the parish and to the ADA Steering Committee.

If a parish does not achieve at least 100% of goal by the end of the Active Phase and does not comply with the aforementioned option, then it is subject to automatic ADA Steering Committee Campaign Review. The pastor and key parishioners may be asked to appear at a formal Campaign Review hearing during the April ADA Steering Committee meeting.

GIFT PROCESSOR

HOW TO PROCESS A PLEDGE ENVELOPE

In order to make processing easier for both the parishes and the ADA staff, there are a few suggested steps in processing the gifts.

1. Make sure that all the information on the pledge envelope is correct and completely filled in. (Name, address, FamilyDioID, parish number, check number, etc.) **The most important piece of information is the FamilyDioID. THIS IS MANDATORY FOR EVERY PLEDGE. Any pledges without the ID will be sent back, as the ADA office cannot go in and add parishioners to your database.** It is your responsibility to make sure the information in ParishSOFT is accurate. For any parishioners that are new, add them to your ParishSOFT database and include the FamilyDioID on the pledge envelope. Again, make sure all of the demographics are up to date to ParishSOFT. We will not be going into your database and making any changes.

2. After you are sure that all the necessary information has been filled in completely and legibly, please alphabetize then separate them into 4 bundles:
 - a. **Bundle 1:** One Time Gifts ONLY with corresponding checks. **see note**
 - b. **Bundle 2:** Pledges and Pledges with First Payments and their corresponding checks. **see note**
 - c. **Bundle 3:** Credit Card and Direct Debit pledges. Please be sure that credit card pledges have a complete credit card number, expiration date and signature. Also, the direct debit pledges must include a voided check.
*****Please Note: Send one exchange check per bundle, as these are processed separately.*****
 - d. **Bundle 4:** Website pledge envelopes, Stock pledge envelopes, Matching Gift pledge envelopes, Electronic Pledge with a check first payment and Gifts of Prayer (Zero Amount pledge envelopes) can be bundled together and paper clipped.

3. After separating everything into these bundles, run a calculator tape on both the checks and pledge envelopes. Label them accordingly and initial. For example: One Time Gifts, Payments on Pledges, Electronic Gifts, etc.

4. Fill out the Transmittal Reports. You will need to complete 2 transmittal forms per week. The first is the “Transmittal Form” for bundles 1 and 2 together. The second is the “Electronic Transmittal Form” for bundle 3. No transmittal form is required for bundle 4. If you have any questions or problems completing these forms please call the ADA Office at 408-983-0246.

5. To guarantee that your parish will be included in the weekly report, we must have your ADA work in the ADA Office by 3 pm each Tuesday. The courier will be scheduled appropriately. If you need to make courier changes or cancellations, please contact the ADA Office at least **one week** in advance – Melanie Lara at 408-983-0246 or lara@dsj.org.

Other Helpful Hints:

- When in doubt about any information on a pledge envelope or if the pledge is not complete, contact the parishioner before sending the pledge to the ADA Office. **We cannot process an incomplete pledge. Please make sure the information is also up to date in your ParishSOFT database.**
- If you receive a credit card pledge or a direct debt pledge with a down payment of cash or check please **DO NOT** include in any transmittal or bundle, please keep completely separate as they require special handling. Also if the down payment is cash make a separate exchange check for that.
- If your weekly records do not seem to match what the ADA Weekly Report is showing, contact the ADA Office at 408-983-0246. Remember, we can only process complete pledges.

PROCESSING DATA WITH PARISHSOFT

ParishSOFT was implemented Diocesan wide in 2009 to ensure the ADA office has the latest and most accurate parishioner mailing information for the ADA. What you are seeing in your office is exactly the same data we see in the ADA office. We use the same family records to mail ADA solicitations, and to track the donations. Please keep ParishSOFT up to date all year long. Failing to maintain your database will result in wasted money on postage at the parish and at the chancery, as well as wasted time pursuing households that are no longer members of the parish or have changed their address. You can obtain a copy of basic data entry standards for ParishSoft by contacting Evan Linick at 408-983-0294 or elinick@dsj.org.

How the ADA Office uses ParishSOFT:

- The ADA Office pulls registered / active parishioners and those who gave to the ADA on behalf of your parish last year.
 - We pull all 54 parishes - approximately 80,000 families in November.
 - Special ADA data pull requests can be accommodated for planning purposes for the next ADA. These requests will be reviewed annually in October.
- After the ADA pledges and donations are received by the ADA Office, ADA staff enters the data into ParishSOFT. The ADA staff DO NOT make address changes or update email addresses. This is the parishes' responsibility; the parish owns the families' data in the parish database. Only the parish itself has the ability to make parishioner data changes. **Please be sure they are captured from the pledge envelopes before sending them to the Chancery for processing.**
- Reporting: Weekly during the campaign, and monthly thereafter, reports will be generated giving summary information by parish. An email communication will be sent that includes the link for the ADA weekly and monthly reports. At any point if you would like a detailed list of your donors or non-donors please call Melanie Lara at the ADA Office: 408-983-0246 or email at lara@dsj.org.

TWO PIECES OF INFORMATION ARE CRITICAL FOR EVERYTHING SENT TO THE ADA OFFICE:

- Parish ID number: a list of this is on the following page
- FamilyDio ID: this can be found on the ParishSOFT main screen of the Family Directory. **THIS NUMBER MUST BE FILLED IN** to ensure the family is in the database and you have verified their address and contact information. Please be sure to follow data entry standards and make sure that duplicate family records are not being created in error. Again, the ADA office will not be making any changes to the data in ParishSOFT.

The ADA Office is available to provide parishes with the following for use during the ADA:

- 1) **PLEDGE ENVELOPES** - Blank pledge envelopes will be provided for new/non-registered donors.
- 2) **FOLLOW-UP REPORT** –This report shows which parishioners have a remaining balance on their pledge. Some of these people may need to be contacted (gently!) and asked, if they can continue their pledge or if they wish to revise it. (See the Follow-Up Chapter in the back of this manual for more details.) Please contact Melanie Lara, lara@dsj.org or 408-983-0246 for one of these reports. Make sure to include your parish number when contacting her.
- 3) **MONTHLY REPORT** – This report is sent to parishes once a month via an email. It is a summary report of the ADA by parish name. It will provide the total pledged, total received, participation, etc. More detailed reports are available by contacting Melanie Lara at 408-983-0246 or by email lara@dsj.org.

PARISH & PARISHIONER NUMBERS

DETAILS OF PROCESSING DATA

When you receive a pledge envelope, please be sure the following entries are CLEARLY AND LEGIBLY WRITTEN ON THE PLEDGE ENVELOPE.

ENCLOSED TODAY - This is the amount paid and submitted with the pledge envelope, the down payment.

TOTAL AMOUNT PLEDGED - This is the total amount pledged for appeal year. It can be up to 10 months, but must be completed by December 31st.

If the person is already registered on your diocesan database, the rest of the envelope should be pre-printed with your PARISH NUMBER, the parishioner's FAMILYDIOID, their NAME, ADDRESS, CITY and ZIP.

If the donor hand writes on the pledge envelope, it is your responsibility to fill in the parish information, and the FamilyDioID. It is possible that the family is already in your ParishSOFT database in this case, the information will be easy to verify. If they are not in your ParishSOFT database, add them and include the FamilyDioID found on the main Family Directory screen. Please call Melanie at 983-0246 if you need some help with this. The FamilyDioID is how we identify the donors.

During the **nine** weeks of the Appeal, a special ADA courier will come to your parish on Tuesday to pick up all pledge envelopes and payments. Please ask for proper identification or call the ADA Office if you have any questions. Parishes should forward all pledge envelopes and checks to the ADA Office each week via the diocesan courier. The courier service we use is called Western Messenger.

GETTING MORE CAMPAIGN MATERIALS

CAMPAIGN MATERIALS

- **BROCHURES** - Each year the ADA Office produces a brochure outlining the ADA Campaign. This is the central promotional piece of the Appeal. It outlines diocesan services provided to parishes and provides information on the diocesan budget and expenses. The brochure is available in English only or trilingual English/Spanish/Vietnamese.
- **PLEDGE ENVELOPE** - For in-pew solicitation. Parishioners donating during Mass will complete the pledge envelope. When completed this envelope can be returned in the offertory or mailed to parish.
- **WALL POSTERS AND THERMOMETER** - Large promotional posters, suitable for hanging on bulletin boards, walls, doors and other areas are used to promote the campaign and provide useful information about the ADA. The thermometer posters inform parishioners of the progress of the Appeal at each parish and should be updated weekly.

Extra campaign materials (40% of the number of registered parishioners) will be provided to your parish for in-pew solicitations, tables after mass, for the office, and second follow-up mailings. Should your parish need more campaign materials, please contact the ADA Office by calling 408-983-0246, or email lara@dsj.org These materials are available to parishes on a first-come first-served basis.

If you have a need for additional materials, please contact the ADA Office at 408-983-0246.

GIFTS OF STOCK

The information used to make a stock donation to the Annual Diocesan Appeal (ADA) should be used for stock transfers to any fund in your parish or to the Diocese, i.e. regular offertory donations, donations to parish or school building funds, diocesan collections, etc.

All stock donations must be made to the “Roman Catholic Bishop of San Jose, a corporation sole.” This is the corporation sole for all parishes, schools, missions and other entities of the Diocese of San Jose.

FOLLOW-UP INFORMATION

This Follow-Up Section was produced to aid Pastors, ADA Chairpersons and Gift Processors during the "Pledge Redemption Phase" of the ADA. It will help to explain the duties and responsibilities of each parish during the "Pledge Redemption Phase" and contains several sample letters for various situations.

Now that the Active Phase of the ADA campaign is completed, it is essential to make preparations to take full advantage of the progress that your parish has achieved. However, the true success of the ADA pledge campaign comes only at the end of the redemption/period with the fulfillment of pledges. This section of recommendations should be reviewed and implemented by members of your parish's ADA Committee throughout the "Pledge Redemption Phase."

If the Redemption Program is closely adhered to and if the procedures, suggestions and materials included in this section are employed, the vast majority of your pledges will be collected. On average, our parishes redeem 95% or more of monies pledged to the ADA.

Essential to the successful completion of the Annual Diocesan Appeal is the position of the Follow-Up Administrator. This volunteer or staff person should report to the Pastor and ADA Chairperson on the continuing status of the ADA throughout the year.

If you have any questions or are unsure of any step in the Follow-Up procedures, please contact the Office of Stewardship and Development, at (408) 983-0293, at your earliest convenience.

DUTIES AND RESPONSIBILITIES OF THE FOLLOW-UP ADMINISTRATOR

- To maintain the parish record keeping of ADA pledges and monitor the ADA diocesan record keeping of pledges and payments after the completion of the "Active Phase" (January - April). This can be easily monitored and accessed directly using ParishSoft. Contact the ADA Office for help setting this up.
- To report ADA pledge and redemption results to the Pastor and ADA Chairperson. The Follow-Up Administrator should meet with the ADA Chairperson and Pastor monthly to report the results of the redemption, database changes and delinquencies.
- The Pastor should designate a weekend every other month for ADA updates in order to report the previous period's figures. The following information should be prepared by the Follow-Up Administrator and reported in the announcement.
 - Amount pledged prior to this month
 - New pledges since last report
 - Total Amount Pledged
 - Total % of Parish Goal
 - Total Payments Received to date
 - Total % of Payments Received (Goal of redemption is 100%)
 - Total % of Participation
 - Total monies to be rebated (as they are received over goal)
- To maintain the ADA database for the parish, including the addition of new households (Additions), changes to address or personal information of donors (Changes) and the deletion of households who have died, moved out of the parish or are no longer members of the parish (Deletions). This maintenance should be done directly from the parish using ParishSOFT.

All database changes for the upcoming year's ADA campaign should be made in ParishSOFT no later than November 15th.

- To monitor all delinquent accounts via the Follow-Up monthly report, report delinquencies to the ADA Chairperson and Pastor and implement the appropriate follow-up processes for these parish households. Parishes may access this data and additional reports by logging into Parish Soft. Parish Master Reports can be printed directly at your parish.

If a person misses two consecutive payments, the Follow-Up Administrator should report this case to the ADA Chairperson in order that a personal contact can be made to verify the reason for the delinquency.

The ADA Chairperson should then make a report of the results of these personal contacts, which should fall under one of these categories:

- The donor(s) agree to begin pledge payments again.
- The donor(s) choose to adjust or temporarily change his or her payments.
- The person is unable to complete his or her pledge.

In each of these cases, the ADA Chairperson and Pastor should prepare an appropriate letter to send. Sample letters are included in this chapter.

- Produce letters for Follow-Up Mailings, as the Pastor and Chairperson deem necessary. Mailings may be completed periodically during the course of the pledge-redemption phase (April - December) to encourage participation and ensure a successful ADA. These mailings are in addition to the "Mop-Up Mailing" produced by the Diocese in May and are recommended for those parishes that did not achieve their parish goal, are having problems redeeming their parish goal or would like to increase their parish rebate amount.
- Ensure that the parish sends thank-you letters to everyone who has made a pledge/gift. The Diocese sends a letter from the Bishop to all donors to the ADA. Many parishes, however, also produce their own thank you letters to reinforce their gratitude to donors.

REDEMPTION OF PLEDGES/PLEDGE FULFILLMENT

Upon successful completion of the Active Phase of the ADA, your parish will have a substantial amount of money in cash and pledges. The pledge redemption procedure is essential because it is when these promises are turned into actual dollars. A successful redemption system is reliant on three main components:

1. Payment Reminders

Payment reminders must be sent to ensure the collection of the maximum amount of pledges. The Diocese of San Jose sends out monthly statements and payment envelopes to all donors who have made a pledge that is not paid in full.

2. Designate a Follow-Up Administrator

A Follow-Up Administrator should be appointed to take care of the day-to-day computer entry and record keeping of the Appeal (this may be the ADA Chairperson or Gift Processor). Their primary duties are comprised of processing pledges, keeping track of and following-up with delinquent accounts, as well as maintaining the parish ADA database.

3. Follow-Up with Delinquencies

Every Appeal has the problem of delinquent accounts. It is absolutely necessary that a procedure be used that will keep delinquency to a reasonable minimum and bring about the highest redemption rate of these pledges as possible. When delinquencies develop, the Follow-Up Administrator is responsible to implement the following procedures:

- a) If one monthly payment is missed, the Follow-Up Administrator should prepare a follow-up letter to be signed by the Pastor. Many times, the missed payment is an oversight and is revived the following month.
- b) If a person misses two consecutive payments, the Follow-Up Administrator should report this case to the ADA Chairperson in order that a personal contact be made to verify the reason of the delinquency. A second letter should be sent to make the household aware that a representative from the parish will be calling.
- c) The ADA Chairperson should then make a report of the results of these personal contacts, which should fall under one of these categories:
 - The household agrees to begin pledge payments again.
 - The household chooses to adjust or temporarily change payments.
 - The person is unable to complete his or her pledge.

In each of these cases, the ADA Chairperson and Pastor should prepare an appropriate letter to send. Sample letters are included in the ADA Follow-Up Manual.

METHODS FOR MAINTAINING & INCREASING PLEDGES

Below are several steps that can be undertaken by the parish to maintain and increase pledges. All of these procedures are being used in parishes around the country today. These recommendations are based on the premise that people are benevolent and if kept properly informed and motivated, they will respond positively. These steps should be taken to insure the greatest possible return on the time and effort expended during the Active Phase of the ADA.

1. Set a Goal for the Pledge-Redemption/Fulfillment Phase

Just as a goal is set during the Appeal, it is a good idea to give the "Pledge-Redemption Phase" a goal. This goal should be the eventual collection of 100% of the total pledged amount at the end of the Active Phase. This might appear impossible since there will be a certain percentage of cancellations and adjustments. However, obtaining new pledges should help compensate these losses.

2. Follow-Up with New Families and Those Requesting Additional Time

Solicit new families and re-contact families who asked for additional time to make their pledge. Parishes should keep a running list of all new families who register after the first mailing of the ADA campaign. These families, after they have been properly welcomed into the parish, should be invited to participate as well. Also, those families who asked for additional time in order to make their pledge to the Appeal should be also be re-contacted and asked to participate.

3. Using Sensitivity When Dealing with Delinquent Accounts

Those responsible for facilitating the redemption of pledges should not act as a collection group or a committee that will use force, embarrassment or pressure. Instead, the committee should assist those who have difficulties paying their pledges. In cases of hardship, the committee has the authority to work out temporary or permanent arrangements with families so that their pledges can be fulfilled. Always communicate this information with the ADA Office to avoid confusion and misunderstandings.

4. Maintain Accurate Lists for Contacts, Mailings and Reporting

There are a number of convenient ways to maintain an accurate and up-to-date database for the parish. This will allow the contact information to be accurate and save the time of volunteers doing follow-up work. This will also allow for more accurate reporting. If the pledges, payments and gifts are handled in a careful manner then the parish will benefit by having accurate financial records.

PULPIT AND BULLETIN ANNOUNCEMENTS

Please feel free to use any of the enclosed announcements and conform them to your parish's ADA calendar. One recommendation is to highlight a different Diocesan service each week. Please contact the ADA Campaign Office at (408) 983-0293 if you have any questions.

PRE-PLEDGE WEEKEND

Our invitation from Bishop McGrath to participate in the 2018 Annual Diocesan Appeal will soon arrive at our homes. Please keep in mind as you receive your personal invitation that this Appeal not only assists our parish in fulfilling their assessment obligation, but at the same time supports the common services and programs that assist all 54 parishes and missions in the Diocese of San Jose.

This year, the theme of the Appeal is, **Sharing the Joy of the Gospel, Together in Christ**. As members of Christ and his Church, we are connected to one another-parishioner to parishioner, family to family, and parish to parish.

Our gifts are to be given in gratitude for what God has entrusted to us. A gift/pledge to the Annual Diocesan Appeal will help the work of our local Church to grow and to flourish throughout our Santa Clara County diocesan faith community.

Also, when our parish reaches its goal of \$_____ in cash, 100% of the additional funds received will be returned to us for use in our parish.

Please reflect on your blessings and in gratitude consider a pledge to the 2018 Annual Diocesan Appeal.

Pledge Kick-Off Weekend, January 13/14

Each year our parish and every parish in our Diocese is responsible for a portion of the financial obligation it takes to meet the ministry, programs and services of our Catholic Church. Together, we are able to reach so many more in need than our parish could ever reach alone. By now you should have received at your home, a personal invitation from Bishop McGrath to participate in the 2018 Annual Diocesan Appeal, **Sharing the Joy of the Gospel, Together in Christ**.

Please take the time to look through the brochure at the services, programs and ministries of our Diocese, the many people that are served through this joining of resources and the wonderful generosity that has been shared. I ask you in partnership with Bishop McGrath to consider a gift/pledge to the Annual Diocesan Appeal, to benefit our parish and more importantly all our parishes in the diocese. Every gift is valuable. Sometimes it is hard to envision how your one gift could make a difference in an organization the size of our Diocese, but it does, each Catholic family, each parish, **TOGETHER**, can fulfill the mission of our Church, to love and serve one another. In trying times our gifts from God may be more difficult to identify, God blesses each of us every day. No one can do everything, but everyone can do something. Thank you for continuing to support your parish and our diocesan faith community in so many ways.

1 Peter 4:8-10

“Do not lay up for yourselves an earthly treasure. Moths and rust corrode; thieves break in and steal. Make it your practice instead to store up heavenly treasure which neither moths nor rust corrode nor thieves break in and steal. Remember, where your treasure is, there your heart is also. No man can serve two masters. He will either hate one and love the other or be attentive to one and despise the other. You cannot give yourself to God and money. I warn you, then; do not worry about your livelihood, what you are to eat or drink or use for clothing. Is not life more than food? Is not the body more valuable than clothes? The unbelievers are always running

after these things. Your heavenly Father knows all that you need. Seek first His Kingship over you, His way of holiness and all these things will be given you besides. Enough, then, of worrying about tomorrow. Let tomorrow take care of itself. Today has troubles enough of its own.”

Matthew 6:19, 24-25, 32-34

“It cannot be like that with you. Anyone among you who aspires to greatness must serve the rest; whoever wants to rank first among you, must serve the needs of all. The Son of Man has not come to be served but to serve—to give his life in ransom for the many.”

Mark 10:43-45

“When much has been given a man, much will be required of him. More will be asked of a man to whom more has been entrusted.”

Luke 12:48

“Tell those who are rich in this world’s goods not to be proud and not to rely on so uncertain a thing as wealth. Let them trust in the God who provides us richly with all things for our use. Charge them to do good, to be rich in good works and generous, sharing what they have. Thus will they build a secure foundation for the future, for receiving that life which is life indeed.”

Dear «SALUTATION»,

We are facing a different world today. We have experienced changes in the economy, challenges to our sense of safety and security and the needs of many locally and around the world presented. Now more than ever...or at any other time in recent memory, people are looking to the Church for spiritual direction, leadership and support.

The Annual Diocesan Appeal embraces the charitable, spiritual and educational needs of thousands of individual families and in what is an enduring miracle, helps to unite us into one diocesan family. Indeed, the ministries and services supported by the ADA are so much a part of our lives – it is easy to take them for granted. But, think how necessary these services and ministries become when providing individual, marital and family counseling – responding to the urgent needs of our brothers and sisters. Consider how important specially trained teachers sharing the message of Jesus Christ are, to the lives of the families whose children attend faith formation classes, seminarians, vocations, etc.

At every moment of every day – someone somewhere is making a difference in our Diocese. The ADA asks each of us to recognize that we are all part of a larger diocesan Church that transcends personal and parish boundaries. Please join us on a common journey to meet the day-to-day needs of our Diocese. Now more than ever...because the need never stops.

Time and again, you have put the needs of our larger faith community at (Name of Parish) above your own needs and wants, without question or hesitation. I feel truly blessed for the privilege of walking this journey with each of you. Your last sacrificial gift of \$_____ made a difference to the ADA. This year, Bishop McGrath and I ask that you consider making a gift as a sign of your ongoing commitment to God and His Church in the Diocese of San Jose.

Please know your participation at (Name of Parish) is very important to us and your partnership in this year's ADA will be much appreciated. Thank you for your generosity.

Sincerely in Christ,

We are all called to share our resources and ourselves. We are called to join together to make a difference. The ADA helps to provide service and resources to people in our community, staff and people throughout the County of Santa Clara.

Thank you for your support of this year's Appeal. Many people, such as you, in our parish have come together to make a difference.

To date, we have received pledges from (# OF PARISHIONERS DONATING) members of the parish in the amount of \$(AMOUNT OF TOTAL PLEDGED). Our parish goal this year is \$ (AMOUNT OF PARISH GOAL).

We are hoping that you will be able to participate by making a pledge this year. We ask that you prayerfully consider contributing as a way to give thanks and praise to God for all His gifts in your life. If the time is difficult right now for you, consider a small donation each month.

I appreciate your kind consideration of this request and I look forward to hearing from you.

Be assured of my prayers. Thank you for your help and cooperation.

Sincerely yours in Christ,

Dear «SALUTATION»,

At this time, we are in our ____ week of the Annual Diocesan Appeal. The results to date have been quite positive. More than ____ parishioners have already pledged or given for this worthwhile diocesan effort. Through the appeal, funds are provided for the numerous services and ministries the Diocese of San Jose provides to parishes and parishioners.

Our goal this year is to contact all members within our parish family and ask their help and financial support. After reviewing our returns, we realized that we missed you. I invite you to participate in the ADA by making a pledge or one-time cash gift to the ADA. It is important to remember that with all parishes and parishioners participating, we can provide services to people which no single parish can afford on its own.

Enclosed is a pledge envelope to be returned to the parish. Please fill it out in the spirit of generosity and Christian Stewardship to help our parish achieve its goal of \$_____. No gift is too small. If you feel you cannot make a gift at all, please write “no gift” or “unable to contribute” on the envelope. We would like to hear from everybody in the parish. Please return the envelope to the volunteers after Mass or mail it back to the parish.

Thank you and God bless you in advance of your generosity.

Sincerely yours in Christ,

Rev. _____
Pastor

A FEW TIPS

- Practice once or twice on your spouse, cousin, neighbor, or best friend. Actually call them on the phone and take a pledge.
- Familiarize yourself with the ADA brochure materials before beginning your phone calls - that way you will be able to answer questions more effectively and provide useful information on the ADA to the donor when necessary. You might also review the ADA FAQs.
- Regardless of the reply, be positive and thank the person for speaking with you.
- For those who seem upset, be a good listener. Let them express themselves and also, let them know that their support is needed and appreciated.
- If a person is persistent on a question you do not know the answer to, let them know you will find out the answer and respond back to them. Then contact your parish office or the diocesan office for information.

If you have any questions, please contact your parish office or contact the ADA Office at the Diocese of San Jose, (408) 983-0293.
