Dear Sir/Madam,

I would like to share some exciting news! The Diocese of San Jose Vocations Office is hosting the first ever **“Rev Up the Sems”** Fun Run event to be held on June 22<sup>nd</sup> at Bellarmine College Preparatory. This will be an outstanding community event with large number of people enjoying a morning of family entertainment. This event will be replacing the annual Revs vs. Sems basketball game. You can read more about the event in the attached sponsorship form.

This year, the organizing committee would like to offer you an opportunity to be a major sponsor of the event.

We invite you to consider being a sponsor. The attached form explains the details.

The mission of the Vocations Office is the ecclesial, decisive commitment of every member of the Diocese of San Jose to pray, call, and lead our young people to a free, loving, and Christian response to the Call of God.

The Vocations Office helps individuals discern a vocation to ordained or vowed service to the Church, supports those who are exploring this call, provides training and education to those pursuing their vocations, and organizes retreats, resources, and events to promote and pray for vocations.

We currently have 11 seminarians and the cost of one year of priestly formation and education averages \$50,000 for tuition, room and board and a small monthly stipend. With 11 men in priestly studies, the total is approximately \$550,000. While our Annual Diocesan Appeal covers some of this cost, we still need to raise an additional \$300,000.

We are sure that through your support of the **“Rev Up the Sems”** Fun Run event, you will gain significant exposure and recognition as an organization committed to promoting vocations.

Thank you again for your support, should you have any questions concerning event details, please contact Kimberly Maramba at 408-983-0155 or by email [kimberly.maramba@dsj.org](mailto:kimberly.maramba@dsj.org).

Many thanks in advance for your sponsorship!

Sincerely,

Fr. Ritche Bueza

Director of Vocations & Seminarians
