

**DIOCESE OF
SAN JOSE**

March 12, 2020

Dear Diocese of San José Catholic Schools families,

This has been an unprecedented time for all of us. We thank you for your continued partnership.

After careful consideration, the Diocese of San José will close its schools from Friday, March 13, to Friday, March 27, and transition to distance learning. We did not make this decision lightly and recognize the hardship this places on our families.

To facilitate this transition, each school's faculty and staff will report to their campus on Friday, March 13, to finalize their distance learning plans. Your child's school will communicate directly with you by end of day Friday to share specific information about next steps.

We are actively supporting our principals, teachers, and staff as they serve our students in the coming weeks. As this remains a dynamic situation, we will continue to communicate with you as updates are available.

We ask that everyone join us in prayer as we all navigate the days ahead.

Yours in Christ,

Bishop Oscar Cantú

Jennifer Beltramo, Superintendent of Catholic Schools
