

BULLETIN ANNOUNCEMENT

NOTE TO PARISHES: Because we understand that not all Parish Bulletins can accommodate the same Ad format, we are providing this text in a word document. Please add the census logo (also provided in 2 sizes as one of the resources) to make your ad stand out.

ENGLISH

APRIL 1 is CENSUS DAY

*It is **EASY**:* You can respond online, by phone, or by mail. Help and questionnaires are available in many different languages.

*It is **SAFE**:* All responses are confidential, and by law, they cannot be shared in a way that identifies a person or a household. Questions about immigration status will NOT be asked.

*It is **IMPORTANT**:* Every adult, child and baby living in the United States must be counted, regardless of their age, race, or citizenship status. The final population count will determine how billions of dollars are distributed in our community for schools, healthcare, housing, transportation and more. An accurate count will ensure a fair distribution.

It is **EASY, SAFE** and **IMPORTANT**.

Participate and Be Counted!
