Headphones help with background noise!

1. Click on the meeting link your teacher sends or posts.

2. When your teacher joins the meeting, the virtual room will pop up. You may have to wait to be admitted to the room.

4. Join a meeting with your sound muted.

5. If your teacher invites you to speak, a message may or may not pop up. If it does pop up click the Unmute Myself button.

6. First names only on the screen.

7. You may use the premade Zoom backgrounds, but under no circumstances are you allowed to use your own photos, other student’s photos, web images or memes of any kind. This remains an academic environment. If you are setting the background image to a Zoom background, set it before the meeting and do not change it during a meeting.

8. If you attend a Zoom, you need to be present and visible. Not a blank screen or a picture of yourself. You need to be visible from at least the eyes up.

9. Private chats or texts are not allowed during class Zoom meetings.

10. Have everything handy that you might need for the Zoom meeting (paper, pencil, textbook etc.).

11. Even though we are not in the classroom, the classroom rules apply.
