The program brings together current social and medical science with the teachings of the Church and the wisdom of the saints to cast a vision of man fully alive.

TMIY offers men a place to encounter Jesus Christ through rich Catholic content and a supportive brotherhood. Participants come to see that, wherever they are on their spiritual journey, He meets them there—and leads them further.

About: The Vietnamese Eucharistic Youth Movement (VEYM) is a non-profit organization under the leadership of the Catholic Church. Embracing Jesus in the Eucharist as the center of our lives, the VEYM aims to form youth into virtuous individuals and faithful Christians. It also provides apostolic services for youth ages 7 and up.

Throughout its years of service, the Movement has kept pace with the social and cultural changes of the times in an effort to reach out to youth across generations. Our activities include weekly gatherings, camps, picnics, retreats, Eucharistic adoration, processions, conventions, fundraisers, and various training programs.
