

# KEEPING FAMILIES HOUSED DURING & AFTER THE PANDEMIC

**Follow-Up Meeting: Sunday, Jan 31, 6:30pm-8:00pm**

**COVID-19 and the economic downturn is affecting thousands of families in our community** with growing rental debt, housing insecurity, the impossible choice between putting food on the table or keeping the lights on, mental health consequences, and more.

In December, we discussed the **COVID-19 Tenant Relief Act of 2020**. A lot has happened since then, locally, statewide and in our nation. **What are the law's implications moving forward?** What do our community members need now? How do we plan for the long-term?

The Diocese of San Jose, in partnership with Catholic Charities and the Silicon Valley Sponsoring Committee is hosting a **meeting to help our communities understand and respond to this issue**. Members of the community, clergy, parish staff and leaders, and partner organizations are encouraged to attend. Spanish-language interpretation will be provided.

**Register in advance for this meeting.** After registering, you will receive a confirmation email containing information about joining the meeting.
